

CLEAN-LIFT™

Clean-Lift is the sanitary way to lift and lower your toilet seat! Simply install on the under your toilet seat to reduce germ contact on hands. It's Mom Approved!

- Reduces germs on hands by 60%
- Installs easily in minutes

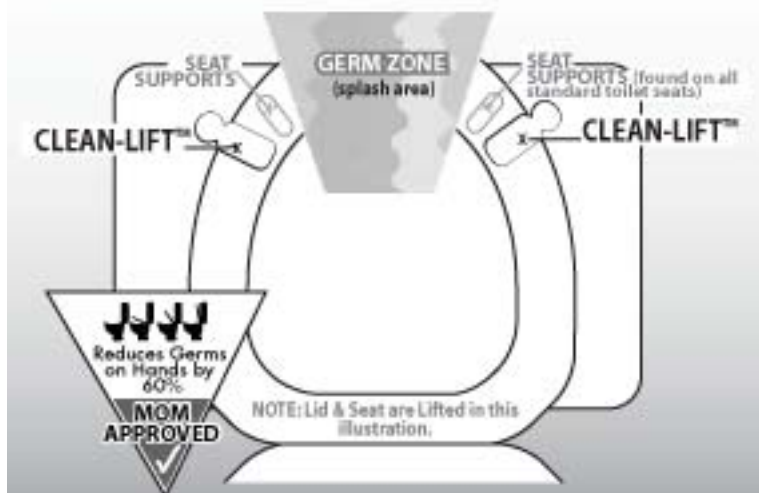

Made in the
USA!

DIRECTIONS: Clean underside of the toilet seat. Remove adhesive backing on a CLEAN-LIFT Handle. Position one handle in the suggested area shown on the Graph below. Press handle firmly onto your toilet seat. CLEAN-LIFT keeps hands away from the "Germ Zone" area where bacteria thrives.
